Kid Hopkins Defeats Mower

Brawny Blacksmith of Tremonton the Best Man of the Two.—The Strongest But Not the Swiftest—A Good Wrestling Match.

There was more fun and excitement at the old Pearl saloon building Thursday night than is usually found at a Fourth of July celebration. The event was a splendid wrestling match between D. Mower of Lewiston and Kid Hopkins of Tremonton. The house was packed with rooters and spectators both from this city and Tremonton and much enthusiasm was manifested.

Prior to the big bout a contest between Master Jones of Wellsville and Young Frisby of Tremonton greatly amused the crowd. Kid Jones was a daisy, but Young Frisby floored him twice out of the three bouts. It was a close contest.

Then came the big match between Hopkins and Mower. Both men looked well, clad in tights and fit for the fray. The first bout lasted twelve minutes. Hopkins demonstrated his strength and Mower his agility. Rooters rooted and money was plentiful. The sturdy blacksmith of Tremonton won the first fall amid a burst of cheers.

In the second bout Mower certainly did some swift work and avoided going down on his back three different times by a sudden twist-over. This time Mower got the cheers by putting Hopkins down for three counts. Time 10 minutes.

Twice in the third bout Mower had a full Nelson hold on Hopkins and it looked bad for the Tremonton, but he broke holds and after a hard struggle Mower went down for three counts and it was all over. Time 13 minutes. Our opinion of the wrestle is that Hopkins was the strongest man and had the best endurance. Mower lacked strength and wind.

After the big wrestle came an hour and a half of real fun consisting of various wrestling matches. First was a match between McCarty and Frisby. McCarty got two falls out of three. Second, Wood vs. Jones.

Our New City Marshal

J. A. Mortensen, recently appointed town marshal, is around on his beat daily and sometimes nightly, looking after the affairs of the city under his jurisdiction and wielding his big "billy club." Everybody seems to think Mortensen will make a good marshal. He is tall enough and big enough, and we believe he is a whole-souled, big hearted sort of a chap that will make good in said position.

Wood won out. Third, Tom Nogema vs. Frisby. Nogema downed Frisby twice. The last match was a Jap wrestle between Tom Nogema and McCarty, but some misunderstanding arose in regard to holds and points and the match was called off.

W. M. Wolsey acted as referee and gave splendid satisfaction in his decisions.

We were informed that Hopkins and Mower will be matched again soon.

We'll tell you about Friday night's wrestle in our next issue.

Death Visits Marriott Home

A sad death occurred in the home of Mr. and Mrs. Brigham Marriott Friday night of last week when the angel of death entered and robbed them of their 13-year old daughter, Miss Della LaRue. She, with a number of the other children was taken down with scarlet fever, but in her case it developed into dropsy and finally resulted in her demise.

Impressive funeral services were held at the Garland hall Monday afternoon of this week. Beautiful wreaths of flowers were contributed and the casket was a handsome one. Bp. A. R. Capener presided and the ward choir furnished appropriate music. Singing, "Sister Thou Was't Mild and Lovely," Prayer by Wm. King. Duet, "Unanswered Yet." Mrs. D. C. Chapman and Miss Alice Grover. The speakers were Peter Boss, Chas. Wm. Wood, F. D. Welling, Joseph Jensen and Bp. A. R. Capener. During the services a quartette was rendered by Mrs. J. A. Wixom, Miss Alice Grover, John J. Shumway and Fred L. Rogers. Singing, "O, My Father." Benediction by Fred L. Rogers. The pall bearers were M. M. Leavitt, Thos. Wise, Willard L. Wood, H. A. Hall, Chas. Wm. Wood and Archie Hall. The remains, accompanied by the family and friends, were taken to Ogden for burial Monday afternoon and Della LaRue was laid to rest by the side of her 7-month old brother in the Ogden cemetery.

Notice.

A grand ball will be given at the Garland hall next Wednesday evening, Feb. 8th, under the auspices of the Ladies' Self-Culture Club. Everybody invited. Tickets 50c. It

Recent Rains Cause Floods

Malad River and Deep Creek Overflow Banks —Bridges Washed Out.

Last week's down pour of rain did considerable damage in Malad City to the school building and grain elevators. Deep Creek overflowed its banks and bridges were washed out. A company of theatrical people narrowly escaped being drowned near Malad Wednesday of last week. The driver, supposing the bridge was in place, attempted to cross Deep Creek and the horses went in out of sight. One of the animals was drowned and the occupants had to break open the door of the bus which had tipped over.

This week's heavy rains drenched the whole valley and caused the Malad River to become a young Mississippi. Most all of the bridges on the Malad River have been washed out and it is estimated that the repairs will cost the county about \$25,000. A number of our citizens went down to the Malad crossing east of the sugar factory Tuesday to witness the damage the swelled stream had done. It was quite a sight. The steel bridge had gone down stream and the raging waters were dashing over the high grade on both sides of the bridge embankment.

The Brigham City electric light plant was damaged by the flood waters of Box Elder creek.

For three days all trains via the Malad Branch came as far as this city and returned again without going to Malad. Wednesday repairs were made and the trains have since been making the usual round trip.

Basket Ball Player Dies From Injuries

Eli Hansen, a popular young man of Mantua, aged 25 years, was injured in a friendly game of basketball at that place Tuesday evening, Jan. 31st, and died at 9 o'clock from injuries to the brain. During the game Lafayette Nelsen threw the ball to one of the players, but the back of his hand struck Hansen on the temple causing great pain. He finished the game, however, but after going home lost consciousness. Medical aid was summoned and Hansen regained consciousness, but soon lapsed into insensibility and passed away as stated above. He was the son of Mr. and Mrs. Mads Hansen of Mantua and a cousin of the Jensen boys of this city.

James Jensen went to Mantua Thursday and yesterday Joseph Jensen and Peter Jensen and wife of this city and Mrs. Alvin Keller of Tremonton went down to attend the services which were held in Mantua yesterday afternoon.

Tortured For 15 Years

by a cure-defying stomach trouble that baffled doctors, and resisted all remedies he tried, John W. Modders, of Moddersville, Mich., seemed doomed. He had to sell his farm and give up work. His neighbors said, "he can't live much longer." "Whatever I ate distressed me," he wrote, "till I tried Electric Bitters, which worked such wonders for me that I can now eat things I could not take for years. Its surely a grand remedy for stomach trouble." Just as good for the liver and kidneys. Every bottle guaranteed. Only 50c at all druggists.
